

3000 Single Hung

Features:

- Fiberglass screen
- Grid options: 7/8" flat, 1" profile
- Colors: White, Beige, & Clay
- Interlock at meeting rail creates a weather-tight seal
- Welded frame and sash enhances structural integrity and increased weatherability.
- Dual weatherstripping at stiles, interlock and sill provides extra protection against air-infiltration and enhances the energy efficiency

The 3000 Series Single Hung window is the right choice!

From aesthetic appeal to expert construction and energy efficiency, you can expect the best from your 3000 windows. These windows meet all Energy Star requirements while keeping your home looking stylish.
